Re: **MELISSA SAMUELS v. URBAN ASSEMBLY CHARTER SCHOOL, ET. ANO.**
Docket No. 23-cv-01379-RA

Dear Judge Abrams:

The undersigned represents the defendants, Urban Assembly Charter School for Computer Science d/b/a Comp Sci High and David Noah, in the above-referenced matter. At this time, the defendants write to request an adjournment of the post-discovery conference presently scheduled for May 24, 2024. This is the second request for such an adjournment. The first adjournment was sought by Plaintiff's Counsel due to a travel conflict and the adjournment was granted.

This second adjournment is being sought, on consent, as the parties are still conducting discovery in this matter. Specifically, the deadline for expert discovery is not until June 28, 2024, and the parties have also requested an extension of time for fact discovery due to post-deposition demands. This request was made to Judge Parker. Therefore, the parties are requesting an adjournment to allow for the completion of discovery.

Thank you for your time and attention to this matter.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Cristina A. Soller', written in a cursive style.
